Controlled Equipment Log

Use this form as the master list for all controlled equipment. Use the Calibration Log to document current calibration status, e.g. date received, calibration due date, date of last calibration, date removed from service, etc., for each specific piece of controlled equipment listed.

Asset Description			Supplier	Maintainer	Date Received	Maintenance	Maintenance	Date Removed
Manufacturer	Type/Model	Asset/Serial No.	Supplier	Maintainer	into Service	Interval	Status	from Service
Casella CEL	Digital Sound Meter	CEL-200	Sematron UK Ltd	Lambda Calibration	22/04/20	Annually	Active
