Long-range Audit Programme (10 years)

INTERNAL AUDIT PROGRAMME · STEP 2 OF 3 · risk-based audit frequency

1. Rate each process High, Medium or Low, considering the importance of the processes, changes affecting the organization and the results of previous audits (9.2.2 of the three standards), plus risks and opportunities, significant aspects and OH&S risks (Procedure 22). The suggested
2. Enter "P" in a year to plan an audit and change it to "C" when completed. Not every process needs auditing every year, but higher-risk processes should be audited more often.
3. Enter the first year of the programme in cell P3. Totals show how many audits are planned and completed each year.
