Clause 8 - Operation.....	49
Clause 9 - Performance Evaluation	50
Clause 10 - Improvement	50

Gap Analysis Checklist – Part A

Clause 4 - Context of the Organization

4.1 Understanding the Organization and its Context

Your organization is now required to identify and assess all internal and external issues that could impact upon your quality management system's ability to deliver its intended results. You will need to develop a methodology to understand the needs and expectations of all interested parties. Collate evidence to provide assurance that your organization is regularly, or as necessary, reviewing and updating its external and internal issues.

Ref	Gap Analysis Question	Gap Finding			Action Plan (if OFI or NC)		Notes
		Comply	OFI ^[1]	NC ^[2]	Improvements Needed ^[OFI 1]	Corrective Action Needed ^[NC 2]	Objective Evidence & Comments
1	Has your organization determined the external and internal issues (values, culture, knowledge and performance) that affect the ability to achieve intended results?						
2	Has your organization considered international, national, regional or local issues arising from legal, technological, competitive, market, cultural, social and economic environments?						
3	Are these issues reviewed and monitored on a regular basis, how often does your organization review these issues?						

4.2 Understanding the Needs and Expectations of Interested Parties

The intent of this requirement is to ensure that your organization considers the requirements of relevant interested parties beyond those of your customer. The intention is to focus on the interested parties which are relevant to the quality management system (QMS).
